Wagner - Richard 1903

One of the most enjoyable events of the season occurred last Tuesday afternoon it being the marriage of Miss Rosa Wagner and John H. Richard. The marriage ceremony was performed by the Rev. Retts at the parsonage after which the bride and groom went to the home of the bride's parents, Mr. and Mrs. Jacob Wagner, where a large crowd of invited guests had assembled. After many congratulations had been extended to the happy couple, the guests were seated around a large table well filled with the most luxurious viands the season could afford which would have been suitable for President Roosevelt and his guests. The bride looked charming in a gown of fine silk and carried brides roses. The crowd was royally entertained throughout the afternoon and evening, Mr. Wagner being the main entertainer as he properly understands the entertaining of guests. The tripping of the light fantastic toe was delightfully indulged in until a late hour when all returned to their homes feeling much delighted over the event. The presents were as

God hath not promised
Skies always blue,
Flower-strewn pathways
All our lives through;
God hath not promised
Sun without rain,
Joy without sorrow,

Strength for the day,
Rest for the labor,
Light for the way.
Grace for the trials,
Help from above,

The Twenty-Third Psalm

The Lord is my shepherd; I shall not want.
He maketh me to lie down in green pastures:
He leadeth me beside the still waters.
He restoreth my soul: He leadeth me in the
paths of righteousness for His name's sake.
Yea, though I walk through the valley of the
shadow of death, I will fear no evil:
for thou art with me; thy rod and
thy staff they comfort me.
Thou preparest a table before me in the
presence of mine enemies:
thou anointest my head with oil;
my cup runneth over.
Surely goodness and mercy shall follow
me all the days of my life:
and I will dwell in the house of the Lord for ever.

See You Later

Dad and mom,
Aren't you a pair?
Now at last
You're together up there.
Mom, you've been awaiting
Dad's arrival
According to God's promise
In your Bible.

To have had you both
For such a long while
"Makes us feel lucky"
We say with a smile.
Your firm voices
And sometimes your hand
We'll never forget
As our fannies you fanned.

You taught us all
About the Triune God
You fed us all
By working the sod.
You did your best
To teach us to labor.
Now we don't mind
You did us a favor.

It's "So long pop"
It is your turn to go
But you know
We're not feeling sad
We'll always remember
The great times we had

See you later
Your Children

P.S. To Jesus
Take care of them Lord
Our mom and dad
And when our time comes
We'll be ever so glad
To join them there
Way up in Heaven
Believing your promise
That to us was given.

A Guenin Family in America

This current revision is not possible without the inclusion of numerous photos, stories, and family facts collected by Michael Joseph Guenin (b. 1949) and Michael's sister, Erlyce Guenin Pekas (b. 1947). Red lettering indicates that more research is required.

*I am (William) **Bill Lawson** of Livonia, MI - nw suburb of Detroit - b. 1947 Detroit*
*Father **Robert Lawson** b. 1919 Detroit - d. 1998 Canton (nw suburb Detroit)*
*Grandmother **Grace Elizabeth Bertoli** b. 1881 Elyria, OH - d. 1972 Detroit*

*GG-Grandmother **Elizabeth Pottegeau or Pele or Perry,***
b. 20 May 1821 likely Alsace Lorraine
d. 28 May 1915 Madison Twp., Allen County, IN

I am in the process of documenting what I have learned of my Guenin family after they arrived in America ca. 1847.

I recall a few stories of the Guenins from my Grandmother Grace and Father Robert. I have numerous photographs of Guenin family gatherings in Ohio - Shelby, and likely Elyria as well, ca. 1900 - ca. 1936. Unless I find a living Guenin relative that can connect with a shared family history, it is unlikely that I will identify the Guenins in the photos.

Other than a Cousin Joseph Guenin that ventured off to Minnesota, some Guenins lived in the Elyria and Shelby areas in Ohio, some remained in Indiana, and some in places between. Based on research to date, there is about a one in four chance of a family relationship to a Guenin from the locations mentioned above, and an even greater chance if the Guenin can trace their roots to the Lancaster (NY) region.

If you are related to Francis and Elizabeth Guenin and wish to share Guenin family information, please let me know. If you know of a Guenin family "historian" that shares my Francis and Elizabeth as grandparents, please let them know about me.

Regardless - thank you and best wishes,

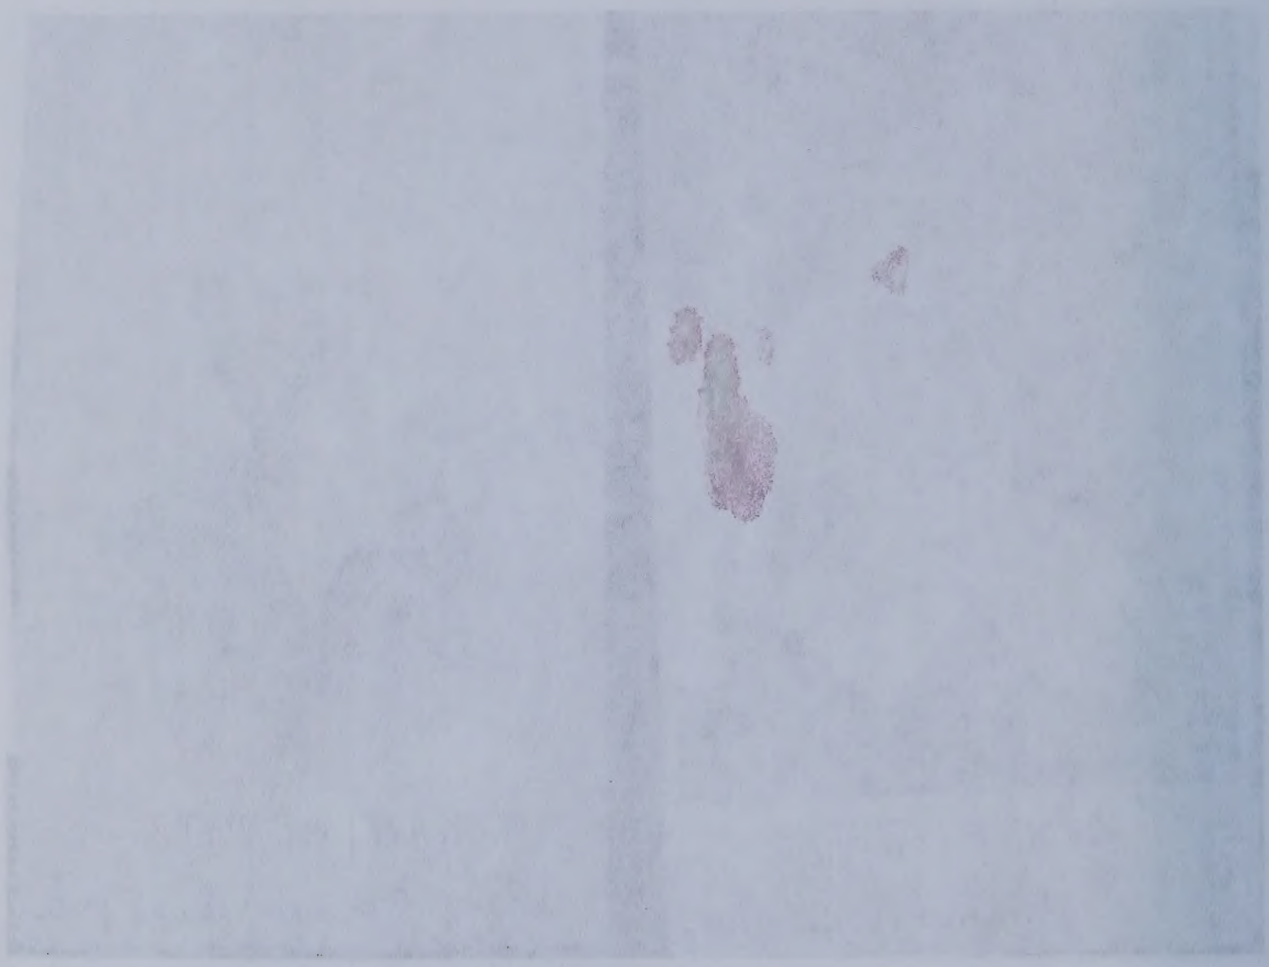
Glen Guenin, 1903 - 1983, positively identified these photos during a visit from Michael.
Helen Guenin Reese, 1913 - 1989, obtained these photos from Amiel Guenin, 1861 - 1934.
Francis and Elizabeth spoke little English; they spoke likely German and French.



Francis Guenin

Elizabeth Pottegeau Guenin

These pictures came from Helen Guenin Reese

The first indication of our Guenin family in the United States occurs in the 1850 Census, Lancaster, NY. I speculate our Guenin family arrived in Lancaster via the Erie Canal, completed in 1825. Our Guenins emigrated most likely from the Alsace-Loraine region. Their religion was Catholic at that time. My grandmother, Grace Bertoli Lawson, daughter of Mary Guenin Bertoli, claimed the Guenin ethnicity as Swiss. They were farmers.

Francis and Elizabeth moved their family from Lancaster (Erie County, NY) to Madison Township (Allen County, IN) between the birth of Edward in Lancaster, as early as 1862, and the birth of Charles Adolph (a.k.a. Adolph or Adam) in Allen County, circa 1866. Their acquisition of 40 acres about 1 mile west of Monroeville confirms the approximate period of their migration.

Dear Mr. Lawson,

I volunteered to check the land record for Francis Guenin. His name was spelled correctly in the deed index and on the deed record. Francis purchased his forty acres of land from James and Sarah Edgington for $1,450.00 on the 7th of June 1865, recorded 15 Jun 1865 in Deed Book 37, page 468[1]. I did copy the deed for you and will mail it to you. The description is the SE fourth of the NW quarter of section 13, township 29N, range 14 E.

Margery Graham

Several Guenins, likely relatives, remained in Lancaster. According to the 1900 Census, Elizabeth delivered 10 children with 7 living at that time, 2 daughters and 5 sons.

Francis and Elizabeth's second of seven children, my Great-Grandmother Mary Guenin Bertoli, died in the flu pandemic of 1918 while living with daughters Grace and Clara in Detroit. Grace's only living child at the time,

[1] Roll # 2317, Land and Property Records 1829 - 1901, Deeds 1804 - 66, Deed Books 35 - 37

Donald, died a month later. Grace's next born child, the only one of three to reach adulthood, Robert (1919 - 1998), my father, mentioned visiting the Guenin family in Shelby (OH) on a few occasions - the last time in the mid 1930s. I have numerous photos from these visits to Shelby. I also have numerous photos of at least one visit to Elyria (OH) by Grace and family, likely to show off my toddler father (circa 1920) to Grace's Godfather and Uncle, Eugene Guenin, and other Guenin relatives.

The last known contact with our Guenin family occurred with the death of Win Guenin in 1970, Grandmother Grace's first cousin. I found a memorial card of his death in her Missal. Grace died in 1972. From photos still undocumented, I believe that the Ohio Guenins and our Detroit Bertolis had a few reunions after the death of Mary Guenin Bertoli in 1918.

Errors transferring, transcribing, or interpreting the data are mine, and likely. I appreciate corrections.

1. **Josephine (a.k.a. Josey) Guenin** — 1849, Lancaster, NY — ?, ?

Josephine last appears in the 1880 Census. She married a man named Guidy (Italian) and had 2 children, Lilly May (age 4, b. OH) and Edward (age 2, b. PA). Her husband was not found in the 1880 Census - yet.

Did Josephine Guenin Guidy ever live in Saginaw with or near the Louis Guenin family? In Detroit near Mary Guenin Bertoli?

Lorna Lugering says this most likely Josephine Guenin (1848 – 1955)

The photograph was taken at a Detroit studio. There is a remarkable resemblance to Mary, who lived in Detroit from 1887 through 1918. Could this photo be of Mary, not Josephine?

Eugene's death certificate indicates that he lived in Elyria for 65 years until his death ➔ he arrived in Elyria ca. 1878. The death certificate also indicates Eugene's birthplace as Lackawanna, NY, about 12 miles from Lancaster. The 1850 and 1860 Census indicates the Guenins lived in Lancaster. 12 miles is a long distance in 1850, so this birth location is a mystery. The informant on the death certificate was T. J. Excerpt from a newspaper article from Elyria, Ohio
Company B ate hearty on festive day in 1917 - headline from 1972

The uniform was olive drab but the mood was festive on that Thanksgiving Day 55 years ago. A hearty group of Elyrians - volunteers to fight in the world's first modern day war - were attempting to make Camp Sheridan in Montgomery, Ala., a little like home.

The menu, bolstered by the Thanksgiving favorites, roast turkey, cranberry sauce and pumpkin pie, was spiced with exotic likes of queen olives, French peas, coconut and walnut layer cake and French drip coffee. The soldiers ate like kings.

Preparing the menu was mess steward Rolland R. Guenin, who with his brother, Marsh operated the Guenin Grocery store in Elyria. Marsh, 83, of 328 Yale Ave., remembers that Thanksgiving well. He has a time-worn slick paper menu designed by his brother to remind him. The menu was published as a memento of the occasion.

Marsh remembers the months before that Thanksgiving when Elyrians began filling out the ranks of Company B, 145th Infantry. The new soldiers camped on the Court Street side of the Lorain County Courthouse until they moved on, Guenin said.

Many bought groceries in his store, which he later moved to the corner of Broad Street and West avenue. It still bears his name, although he is retired. After that festive day at Camp Sheridan, Company B moved to Camp Lee in Virginia and then across the Atlantic to France--and the war. Some returned. Some didn't.

Embossed with a color sketch of Old Glory, the menu is dated November 29, 1917, and includes a list of the men in Company B, 199 strong. A toast ("I'll give the toast, drink, hearty boys: Here's 'May God bless our Mother,'") and two poems ("Our Hitch In Hell" and "Only a Volunteer") fill out the nine-page memento. It's not much, this tattered booklet, but when Thanksgiving rolls around every November, Marsh Guenin remembers his brother, the boys of Company B and their celebration of 1917.

These photos were in my father's files. My father mentioned to me that the photos were taken by an Ohio Guenin who visited another Guenin in Minnesota. My Grandmother Grace had these photos.

Based on what I now know of the Guenin family, I believe Win Guenin, my grandmother's maternal first cousin, visited his younger brother, Joe, who lived near Baudette, Minnesota on the U.S. - Canadian border - about 1915.

Likely Joe "in the swamp",

Adam worked at the railroad roundhouse in Shelby and helped build the railroad from Detroit to Ironwood, MI. (This likely occurred before 1902.)

Lewis (Louis) E. Guenin

Jul 1839 — 1900 - 1910
Switzerland — MI
Germany
France
➔ likely Alsace-Lorraine

1847 Arrived in U.S. with ? - likely other Guenins as Lewis was only a child at the time.
See 1900 Census (WI) - Lewis Guenin .pdf

1850 Census - indicates Lewis as age 11, lived in Erie County, Lancaster, NY with the following:

	Age	Likely relationship
Francis Guinen (sic)	35	husband
Elizabeth Guinen	29	wife - **from Lancaster marriage record for Francis and Elizabeth, ca. 1848, father = Joseph "Pele"** St. Mary's On The Hill or St. Mary's of The Assumption Catholic Church, founded 1834
Josephine Guinen	1	daughter of Francis and Elizabeth, born in New York
John G. Guinen	70	father of Francis = John "Claud" Guenin from Lancaster marriage record for Francis and Elizabeth, ca. 1848
Fidell Guinen	**66**	**mother of Francis**
Ganne Guinen	30	brother of Francis or cousin of Francis or ?
Lewis Guinen	11	brother of Francis or cousin of Francis or ?

It seems likely that Ganne was a brother of Francis. But if Lewis was a brother, then his mother, Fidell, would have been 55 at his birth! Lewis was more likely a cousin, possibly another son of Magdalen below or who knows from what other Guenin.

There also was a neighboring Guenin family. These were the remaining individuals enumerated during the 1850 Census that lived in Erie County, Lancaster, NY, with a last name that began with "Gin", "Gui" or "Gue". A Fidell Pully also lived with the family.

	Age	Likely relationship
Magdalen Guinen	36	wife of ? - possibly a deceased brother of Francis
Fidell Pully	**68**	**mother of Magdalen and/or mother of Elizabeth Guenin above, could be the same person, or ?**
Joseph Guinen	17	son of Magdalen
Frank Guinen	15	son of Magdalen
Eliza Guinen	12	daughter of Magdalen
Eugene Guinen	9	son of Magdalen
Josephine Guinen	5	daughter of Magdalen
Celestia Guinen	1	daughter of Magdalen, born in New York

All individuals were listed from Switzerland, other then Elizabeth's Josephine and Magdalen's Celestia who were born in New York. They likely all immigrated as a group.

1860 Census - Erie County, Lancaster, NY
Francis was listed as a "laborer" vs. a "farmer" - suggesting that he may not have owned his land, a likely motivation for migrating to Monroeville, IN.
Magdalen appears to have married a Weiner and remained on her nearby farm.
Francis and Elizabeth have three more children - Mary, Francis and Eugene.
The parents of Francis, John G. and Fidell, likely died.
Ganne likely moved. From the location of Lewis in 1860 below, it appears that he may have helped Francis prepare for his family's migration to Indiana.
We need more data for Fidell(s): church records, gravestones, immigrations, ...

1854-67 Application for citizenship, New Albany, IN - likely after 1865 arrival in Monroeville, IN
1860 Census - New Albany, IN, cooper, , one who makes or repairs wooden barrels and tubs
New Albany is ~213 miles on foot south of Monroeville, across from Louisville on Ohio River.

Dear Mrs. Lorna Luegring,

I pray you are well. I got your name from Mike Guenin in Minnesota.

I hope you enjoy the Guenin Family History enclosed - most of which you likely know.

If you can and desire to assist me, please let me know. If so, you can simply mark up the document and return it to me. Also, I have 50 - 100 photos of Guenin and Bertoli gatherings in the early 1900s - mostly in Ohio - not likely in Indiana, and certainly no reunions in Minnesota. If you have interest in seeing and possibly identifying some of these Guenins, let me know. If not, I understand and this is certainly OK with me.

Best wishes,

Joe Erle Guenin
1924 - 2001

Joe Erle Guenin was born June 27, 1924 in a private home in Baudette, Minnesota to Joseph Edward and Victoria Pauline (Dunn) Guenin. He was baptized at Sacred Heart Catholic Church on July 27, 1924. He was confirmed at First Lutheran Church on June 16, 1946. Erle and Herzele Doreen Johnson were married at Baudette on February 9, 1946. He became ill on Sunday, January 14 and passed away at LakeWood Hospital at the age of 76 years, 6 months and 17 days.

In addition to Herzele, Erle is survived by four daughters and five sons: Erlyce and her husband, Myron Pekas of Phoenix, Arizona; Cindi and her husband, Mike Drummond of Sioux Falls, South Dakota; Mari Guenin of Redwood Falls, Minnesota; and Dena and her husband, Kevin Pieper of Baudette; Michael and his wife Patricia of Holdingford, Minnesota; Gregory and his wife Bettye, of Brainerd, Minnesota; Richard of Baudette; Scott and his wife, Marilyn of Williams; and Danny and his wife, Laurie of Sioux Falls, South Dakota. Eighteen grandchildren and five great grandchildren also survive him, as does one sister, Gwen and her husband Robert Brooten of Thief River Falls, Minnesota. Erle was preceded in death by his brother Francis in 1932, and his parents.

My father who died in 2001

Erle grew up in the Baudette area and graduated from Baudette High School in 1942 where he was active in hockey and music. After graduation, Erle attended an aviation machinists school in Duluth. He joined the US Navy in 1943 as a machinist's mate 2nd class. He trained at Faragut, Idaho, and was stationed during World War II at Glenview, Illinois where he developed an interest in both flying and photography. After his discharge from the Navy on May 4, 1946, Erle returned to Baudette and began a photography business in their home. He also worked as a lifeguard and gave swimming lessons at Morris Point, worked at the Farm Bureau, and took flying lessons, earning his pilot's license in the early 1950's. He began working at Clay Drug Store in 1949, and remained there for 13 years. During his tenure there, he also opened and operated Guenin Photo Studio, which was located in the basement of the drug store. He developed his flying and photography skills to produce aerial and land photographs of the Baudette and resort

areas, which were subsequently produced and sold as postcards. In 1963, he joined the Baudette Police Department, where he served for 28 years, retiring in 1991. He also served as Deputy Sheriff, Deputy Coroner and Chief of Police for a short time during those years.

Erle was an active member of his community. He was a referee at many local hockey games from 1950 to 1962. He was a member of First Lutheran Church and of the church choir for over 50 years. He shared his love of music and his gift of song by singing at numerous weddings, funerals, and musical productions such as community cantatas and plays. Like his father before him, Erle became a volunteer fireman, and served for 35 years; he was also a volunteer for the local ambulance service in its infancy. Additionally, he worked as a volunteer for the Salvation Army, and was a member of the Linwood Laughy American Legion, Post 217.

With nine children to raise and nurture, Erle and Herzele's travels didn't take them far from home until the later years of their marriage. As their children grew and moved away from Baudette, Erle and Herzele delighted in visiting them in various faraway locations such as Germany, Florida, South Carolina, Idaho, Montana, Michigan and Arizona. They also traveled to Hawaii, California, New England, Oregon, and Washington. Erle could always be counted on to lend a helping hand whenever he was needed. He oftentimes spent winter months removing snow from friend's and neighbor's driveways using his old truck and homemade plow. Above all else, Erle valued his family, friends, home and life. Erle was an avid fisherman and he truly loved Baudette, and Lake of the Woods. He often said he would not want to live anywhere else.

Erle will be buried in the Veteran's Memorial Park at the Elm Park Cemetery in the spring. He will be missed by his family and friends. Blessed be his memory.

Hi Pat

How nice to hear from you. I would be glad to update our side of the family tree. Norma, Frank's wife, keeps the best record so between us I think we can fill in the blanks. Lorna is still living and she and her husband stay in contact with Norma and Frank. Norma's phone number is 260-623-6335 should you want to contact her for any information. Just forward what you have and I will work on it.

Keith and I are fine both still working full time and considering retirement perhaps sometime this year. Can't believe it has been 25 years since you and Erlyce visited.

email sent to Marna Guenin of Monroeville, Ind

Marna,

I'm not sure if you will remember me but my sister Erlyce and I met and visited with you the Monroeville Guenins about 25 years ago (1983)
I know that Erlyce has kept in contact with you as she gave me your email address.

At that time that we met you and Keith, Lucy, Lloyd and all the others, we knew very little about the Guenin Family. I did record the conversations with Lloyd and Lucy as well as Great Uncle Glen. All this knowledge, however, has sat in the Guenin Genealogy Box in my closet for the past number of years. Every once in a while I would need information and pull it out, but for the most part it has been untouched these past 25 years.

New and exciting developments have occurred recently and I am writing to you to see if you, or some other interested party, would be able and willing to work with me to produce the most complete Guenin Family Document to date.

Two years ago, my wife, Pat Guenin, googled her name and found a Patrick Guenin in Indianapolis. I knew immediately that he was related through the Eugene Guenin Line. My wife, who is a police chaplain, was going to

Indianapolis for training so she met up with him and more updated family information was obtained.

During December of this year, I was contacted by a Bill Lawson of Livonia, Michigan (Detroit Area). It turns out that he is from the Mary Guenin line of the original U.S. Guenins - which is a line that we knew nothing about. He is very interested in all Guenin Family relatives and we have been exchanging information over the past month.

I will be mailing you a copy of the most recent Guenin Family Tree showing all the Family Lines and individuals that I have information on.
I will also mail you a copy of Bill Lawson's document.
What I would like from the Monroeville Guenins is someone who would be willing to check and update all the missing holes in the Frank Guenin Family line. Children - marraiges - deaths.
I am also curious about Lorna Luegring, wife of Kenneth Luegring, of Fort Wayne. Is she still alive? She was a great help to us.

I am hoping that this letter finds you and Keith in good health. I know that Lloyd died and few years ago and I'm not sure of what else has happened in your family lines. My father passed away in 2001 on this date, January 14th. My mother is with Erlyce at this time and getting ready to travel to Hawaii with Erlyce and husband as well as my sister Cindi and husband.

Sincerely, Michael Guenin P.O. Box 282 Holdingford, Minn. 56340 320 - 746 -2542

Dear Lorna and Cousin Ken

January 16, 2009

This letter could easily be called a blast from the past. In 1983 my sister Erlyce and I made contact with you and Ken. Together we worked on Guenin Family History. You and Erlyce wrote back and forth – but then lost touch with each other.

A few days ago I sent an email to Marna Guenin, wife of Keith Guenin of Monroeville area. She and Erlyce have remained in touch. I asked if you were still alive and she responded that you were. I was so happy because I have news of great importance for you and I think you will be surprised.

For many years the Guenin Family History that we collected on that 1983 trip remained in a box. Erlyce did make a very nice history book for our family that told what we knew about the Guenin, Dunn, Johnson and Berg Family lines. Other than your letter of January 7, 1984 to Erlyce where you said that you had made contact with St. Mary's Parish of Lancaster, New York and there was possible leads to new information about the Guenin's – nothing else new ever came up. That is until about a year ago.

My wife, Patricia, is a Police Chaplain. About 2 years ago she came across a Patrick Guenin living in Indianapolis. I knew immediately that he came from the Eugene Guenin Family Line. She and Patrick met when she attended some chaplaincy training in Indianapolis in June 2006. Patrick has a brother-in-law named Richard Bergman of Indianapolis that is interested in Family History. He took my information and included his to help complete what has happened in the Eugene Guenin Family Line.

Then, in December, I received a call from a Bill Lawson of Livonia, Michigan. He is a retired Air Force man who has taken great interest in – The Family History of the Guenins and Bertolis. Remember that we only got as far as Mary Guenin married a Bertoli from the Detroit area and had 4 children. The children being Christopher, Mildred, Agnes and Blanche.
Well, she actually had 6 children: Louis Francis, Leanore Elizabeth, Francis Albert, John Edward, Grace Elizabeth, and Clara Mary.

In was one of these 6 children, Francis Albert, who had Christopher, Mildred, Blanche, and Agnes. Francis (Frank) Bertoli's wife was married to Fannie Ray. I remember from one of your pictures of a Guenin Family reunion that you thought perhaps Fannie was Josephine Guenin. It wasn't. It was actually Frank Bertoli's wife.

To make a long story short, Bill Lawson is a dedicated family genealogist who wants to complete the Guenin Family Tree as correctly as possible. He also says that he has a number of photographs from Guenin Reunions that were evidently held during the earlier parts of the 1900's. So, we now have a complete look at the Mary Emilie Guenin Bertoli line.

He also came up with the same information that you did on the eldest child, Josephine who apparently married a man with the last name of Guidy. She last appears in the 1880 census with 2 children, Lilly May aged 4 and born in Ohio, and, Edward aged 2 born in Pennsylvannia. She was either visiting mom and dad Guenin when the census was taken or was actually living with them at the time. Helen Reese Guenin says that her father, Charles Adolph, said that Josephine was a pistol and hated men.

Well, I'm sure this is enough news for now.

Look through the information, assemble the Guenin Family Tree Chart that I've sent you. You may have to trim a few edges to make it come out correctly.
If you are interested in talking with Bill Lawson or the Detroit area his address and telephone number is in his information. You know that you don't live very far apart.
Bill has visited Shelby, Ohio and Monroeville, Indiana in his pursuit of Guenin history so maybe he would make a short trip to Fort Wayne, Indianna also.

I am so glad that you and Ken are still around to share this information with. I will be working with Marna to fill in the holes that we have missed on the Frank Guenin line. I will also be working with Patrick Guenin or Richard Bergman to fill in the holes of the Eugene Guenin line. I think I will try to get in touch with Helen Reese Guenin's sister's living relatives and see if we can get an update on their line also.

Bill is also very interested in finding out what happened to Josephine Guenin. Wouldn't that be great if we could ever figure out what happened to her.

Sincerely,

Michael Guenin

Josephine grew up in the home of Emil & Mary Guenin in Shelby. Her mother was Mary Klees Guenin's sister

From a July 2, 1983 letter from Sister Rene Blum concerning Josephine Hoover

Aunt Kate Klees had been engaged but the young man was An alcoholic. She broke off and promised to wait a reasonable time for him to choose between her and the bottle. He tried but was weak and Kate ended their relationship. She was going with Gilber Hoover and planning to marry him. One afternoon he and Kate were on the front porch at the Tomb Street house in Tiffin, Fred and Ferd (Rose's brothers) were sick and mom had changed linens and was on the way to launder them.

She heard the jilted man coming up the street and told Gil and Kate to go inside and that she would take care of things. Gilbert felt that if they married they couldn't hide every time the young man put in an appearance and insisted on "protecting" Kate. Mother went about her washing. Shortly she heard two shots and Gilbert flew out the back door and screamed "Oh, God! Aunt Rose, he killed Kate!"

Mom went up to Kate's room and she was conscious but bleeding and her shirtwaist was on fire. His obdy laid partly across hers. Thinking he had killed her – he killed himself. The doctor was called and probed for the bullet which he could not locate. Since there was no complications she healed with the bullet still inside.

Gilbert and Katherine were married they had Gilbert, Josephine and later Francis.and later Gilbert was born Apri 2, 1895 and died May 23, 1972. You probably have Josephine's dates. Francis died died December 2, 1979. He would have been 80 on December 19th.

Many ideas Geneva's sister Josephine grew up in the home of Daniel & Mary Gilbert. Their mother died

Mother went to Hoover's home which I understand to be in West Virginia to look after Kate and the baby because for some reason, Kate was listless and unable to do much. Mother stayed until Kate died. Before bringing the body back to Ohio she insisted on an autopsy which revealed the bullet lodged in the spinal area – eventually causing the death originally planned.

Uncle Joe (Klees of Shelby) was to be responsible for Gilbert, Aunt Mary (Klees/Guenin) for Josephine, and Rose and Frank Blum (Tiffin) for the youngest, Francis. Gilbert proved difficult and was later placed in St. Francis Orphanage, Tiffin. His stay there was brief. As soon as he could get working papers he went to work for relatives of the Blums not far from town. He came home weekends and Uncle Joe visited and looked after his needs.

Gilbert married in the late 30's or early 40's a lady named Charlotte (?). He died after a long illness May 23, 1972. His wife died a year or two ago in Toledo. She had given power of attorney to a friend and the estate melted away, house in a nice section with a 3-car garage and some land besides his pension, savings, etc. He had worked most of his life at the Wellyn-Knight. In WWI it was manufacturing ssmall arms. In WWII the Jeep. They had no children.

Francis grew up in the home of Frank and Rose Blum. He was 10 when I was born in 1912. Mother was not well and he practically raised me. At 17 he went into the Navy on the first U.S. fleet of submarines. Later during prohibition he was in the Coast Guard on a rum runner. He married a Margaret. And I believed celebrated a Golden Jubilee before her death at 70. They had no children but reared two foster children.
